

Inspection Test of Phase 1 Release

Individual Slide Inspections:

| Slide Title | Status | Remarks |
|---------------------------------------|--------|--|
| Log In | FIX | Does the side bar need to be there? |
| Home (Select a Term) | FIX | Unclear “New Schedule” and “Open” functionality. This page should be rethought |
| Schedule Setup | FIX | Strange bar above the table that should be removed, also the title “Schedule Setup” is unclear |
| A Generated Schedule | FIX | Note one click sorting, and explain filters better |
| View Blank Schedule | FIX | Fix this view so that you can tell that these are combo boxes, also, this should not be titled “View Blank Schedule” because the schedule is populated |
| View Blank Schedule | FIX | Center Title and get rid of whitespace, also, this should not be titled “View Blank Schedule” because the schedule is populated |
| View Generated Schedule | FIX | Fix the ugly colors |
| View Schedule Department, Hovering | FIX | Fix the ugly colors, also change the title to match the title on the previous slide |
| View Instructor Schedule | FIX | Fix the ugly colors |
| View Course Schedule | FIX | Fix the ugly colors |

| Slide Title | Status | Remarks |
|---------------------------------|--------|--|
| Filtering | FIX | This shouldn't exist |
| Manage Instructors | FIX | Get rid of extra whitespace, left justify the table cells. |
| Edit Instructor | FIX | Get rid of the click button edit. |
| Instructor Course Preferences | FIX | Get rid of extra whitespace, left justify the table cells. |
| Instructor Time Preferences | FIX | Get rid of the arrows and replace with a common color/grayscale scheme |
| Instructor Distance Preferences | FIX | Shouldn't be a separate dialog |
| Manage Courses | FIX | Left justify the contents of the table |
| Add Course | FIX | Left justify the contents of the table, and get rid of all of the edit/delete button functions (find a better alternative) |
| Edit Course | FIX | Left justify the contents of the table, and get rid of all of the edit/delete button functions (find a better alternative) |
| Manage Locations | FIX | Left justify the contents of the table, and get rid of all of the edit/delete button functions (find a better alternative) |

| Slide Title | Status | Remarks |
|----------------|--------|--|
| Add Locations | FIX | Left justify the contents of the table, and get rid of all of the edit/delete button functions (find a better alternative) |
| Edit Locations | FIX | Left justify the contents of the table, and get rid of all of the edit/delete button functions (find a better alternative) |
